*A Bro automatically enhances
another Bro's job description
when introducing him to a chick.*

Chicks like to stretch the truth about their age, promiscuity, and sometimes—with the help of extensive makeup and structural lingerie—even their body shape. As such, it's fair game for Bros to exaggerate reality when asked about their **Brofession**. It's also smart: a Bro's career is to a chick what a chick's boobs are to a Bro.
