*At a wedding, Bros shall reluctantly trudge out for the garter toss and feign interest for the benefit of the chicks present. Whichever Bro gets stuck with the garter shall lightheartedly pretend he's not horrified at the thought of being the next one to drop before scurrying to the bar for a very stiff drink and/or shots.**

COROLLARY: If a Bro's date should catch the bouquet, he shall act excited (if he wishes to sleep with her ever again) before scurrying to the bar to join the garter Bro for a very stiff drink and/or shots.

* Open bar only.
